Annual Report

TOWN OF HUDSON, N. H.

for the year ending

JANUARY 31, 1943

★ ★ ★ ★

For Victory

Buy War Stamps and Bonds

The above Honor Roll erected at the West end of Library Park was done through the efforts of the members of Post 48, American Legion of Hudson, whose commander at the present time is Webster W. White. Robert M. Pratt, Chairman, Paul Buxton, and Harold Farnum are the members of the Committee who have direct charge of the Roll, adding names of those who enter the service from time to time. Credit should be given to Town Clerk John E. Baker for his co-operation with the Committee.

The Citizens of Hudson, New Hampshire salute the following men who are now in the Service of their Country!

God willing, may they have a speedy and safe return.

*Reported missing in action

TOTAL NUMBER OF MEN IN THE SERVICE FROM HUDSON—269

The Selectmen and Town Clerk have tried conscientiously to make the above list as near correct as possible. If there are omissions it is because names have not been reported to the proper officials as requested from time to time. If you know of anyone in the service, whose name does not appear above, will you please give it to the Town Clerk at once.

Town Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Junior High School in said Hudson on Tuesday, the ninth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray Town charges and make appropriations of the same.

3. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various cemetery lots.

4. To see if the Town will authorize the Selectmen to pledge the credit of the Town in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate the sum of $200.00 for the collection of garbage.

6. To see if the Town will vote to increase the salaries of the Selectmen, the Overseer of the Poor to receive $500.00, the remainder of the Board, $400.00 each annually, upon petition of Stafford S. Hill and others.

7. To see if the Town will vote to pay the Tax Collector 1% commission on collections as previously, instead of the ¾% now in effect, upon petition of Stafford S. Hill and others.

8. To see if the Town will vote to rescind its action whereby it voted to adopt the State Primary Laws and the Australian Ballot System so that the method of electing Town Officers now in effect will conform to the State Law relative to non-partisan town elections recently passed by the Legislature and signed by the Governor. H. B. #75.

9. To see if the Town will vote to appropriate $1000.00 for the purchase of a new gravel loader for the Highway Department.

10. To transact such other business as may legally come before the meeting.

Given under our hands and seal, this 24th day of February, in the year of our Lord, nineteen hundred and forty-three.

J. EUGENE GAUTHIER,
FRED T. GOODWIN,
ARTHUR W. SMITH,

Selectmen of Hudson, N. H.

REPORT

of an Audit and Examination

of the Accounts

of the

TOWN OF HUDSON

made by

THE DIVISION OF MUNICIPAL ACCOUNTING

of the

STATE TAX COMMISSION

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

Board of Selectmen, January 21, 1943
Hudson, New Hampshire

Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Town of Hudson, which was made by the Division of Municipal Accounting of the State Tax Commission in accordance with the vote taken at the annual town meeting in March 1942. This audit covers the fiscal year ended January 31, 1942, and the current year from February 1 to June 30, 1942.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent and Trustees of Trust Funds.

Indebtedness, Valuation and Taxes:

Long Term Indebtedness, as represented by Long Term Notes and Bonds, was incurred largely as a result of the refunding of outstanding Temporary Loans. On January 31, 1942, the Long Term Debt amounted to $37,450.00, while the Tax anticipation Loans had been paid in their entirety. The Net Debt, representing the difference between the Total Liabilities and Total Assets, on the same date was $5,852.94. This indicated a considerable reduction in Net Debt since January 31, 1939, when it was reported as $22,523.49.

The assessed valuation has been maintained on a fairly even basis during the last ten years, increasing from $2,050,000 in 1932, to $2,069,000 in 1942. Tax levies have increased in the same period from $68,000 to $94,500, with a resulting tax rate increase from $3.18 to $4.40 per hundred. This compares with the average State tax rate as follows:

		1932	1942
Local tax rate	—	$3.18	$4.40
Average State tax rate	—	$2.77	$3.23

It will be noted, therefore, that the local tax rate is well above the average rate for the State.

Bonded Debt and Annual Maturities:

The total amount of serial notes and bonds outstanding on January 31, 1942, amounted to $37,450. The total annual maturities on all issues amount to $6,400 in each of the fiscal years ending January 31, 1943, 1944 and 1945; $4,400 in the year ending January 31, 1946; $3,000 in each of the years ending January 31, 1947 and 1948; $2,000 in 1949, 1950 and 1951; the final maturity of $1,850 falling due in the year ending January 31, 1952.

Revenues, Appropriations and Expenditures—1941:

An excess of actual over estimated revenues of $2,497.62, and a net unexpended balance of appropriations of $5,226.27, resulted in a net budget surplus for the year amounting to $7,723.89.

Accounts of Selectmen and Treasurer

Vouchers issued by the selectmen during the period of audit were examined as were also the supporting invoices and road agent's payrolls. The treasurer's checks, issued upon orders of the selectmen, were compared with the vouchers and found to be in agreement. The receipts of the treasurer were checked by source, insofar as it was possible to do so. Totals of receipts and expenditures were verified. Reconciliations between the treasurer's cash book and bank balance were made as follows:

John E. Baker, Treasurer	—	As of January 31, 1942
John E. Baker, Treasurer	—	As of March 11, 1942
Ida Gatz, Treasurer	—	As of June 30, 1942

Taxes

The tax warrants of Collector Laura M. Miller for the levies of 1941 and 1940, were audited and balanced as of June 30, 1942. An examination was also made of the tax sales accounts.

Town Clerk

The accounts of the Town Clerk, including the issuance of motor vehicle permits and dog licenses were examined. All funds received by the Clerk were accounted for either through remittances to the Treasurer or funds on hand at date of audit.

Road Agent

The accounts of the road agent were examined. All funds received from the treasurer during the period of audit were expended and accounted for by cancelled checks issued to employees or vendors included on the payrolls submitted to the selectmen.

Trust Funds

The examination of trust funds was made as of December 23, 1942. The securities, savings bank books and checking account, representing the invested principal and unexpended income of the various trust funds were examined. All funds, as indicated in the trust fund record book, were accounted for.

General Comments

The present method employed in the payment of bills, payrolls and other claims, is for the clerk of the board of selectmen to examine such accounts and if approved by him to issue vouchers and orders in payment thereof. It is recommended that all claims against the town be examined and approved by at least two members of the board before payment is made.

It is also recommended that bills for the purchase of materials and supplies by the road agent be first approved by him and then turned over to the selectmen in order that the payment of such accounts may be made by regular town orders. The road agent's payrolls would then include only payments on account of labor.

In view of the problem presented by the withholding provisions of the Victory Tax law, it is believed that a change in payroll procedure would facilitate the accounting which must be made for the withholding of this tax. It is therefore suggested that the road agent present his payroll to the selectmen at the close of each pay period and be given an order for

the net amount of such payroll, which would represent the difference between the total earnings of employees listed thereon and the amount of Victory Tax withheld. Under this method the selectmen would withhold the tax and make the proper accounting therefor as outlined in "Victory Tax Bulletin—No. 2", recently sent out by this Division. New payroll forms and individual card records referred to therein are now available.

A careful examination should be made by the selectmen of the unredeemed taxes. Wherever possible collector's deeds should be taken on unredeemed accounts from the tax sales for the levies of 1935 to 1939, inclusive. If, on the other hand, there appears to be sufficient reason for eliminating any items contained in the unredeemed lists for these years such action should be taken and the proper abatements made.

Continued efforts should be made to dispose of property acquired by the town through tax deeds.

In order that the tax collector may remit to the treasurer the total amount of collections, rather than to withhold a certain amount for the purpose of making change, it is suggested that $50.00 be advanced to the Collector to establish a "change fund". A town order and check should be issued to the Collector for this purpose and the account carried in the balance sheet as "Cash in hands of collector—change fund, $50.00".

We extend our thanks to the town officers for their assistance during the course of this audit.

Yours very truly,

Harold G. Fowler
Director
Division of Municipal Accounting
State Tax Commission

Lawton B. Chandler
Herbert E. Hunt

REPORT OF THE

HUDSON

PLANNING BOARD

ANNUAL REPORT OF THE HUDSON PLANNING BOARD

The Hudson Planning Board for the year 1942-43 was as follows:

H. A. SHEPHERD	—Term expires 1943
STAFFORD HILL	—Term expires 1944
WEBSTER WHITE	—Term expires 1945
PAUL BUXTON	—Term expires 1946
EUGENE GAUTHIER	—(Selectman)

The Board organized with Webster White, Chairman, and Paul Buxton, Secretary. The first meeting was held jointly with the Board of Adjustment and the Building Inspector. The new Zoning Law and Building Code was discussed. Minor difficulties were cleared up and plans for future meetings were worked out.

The members of the Board had several meetings through the year, the last being with the Board of Adjustment and Gardner Smith, the Inspector. At this meeting, Mr. Smith gave an interesting report on his activities. He stated that the people had been very willing to co-operate in keeping within the Building and Zoning Laws.

The garbage and rubbish problem has been given much attention by the Board. It is hoped that by next year definite proposals can be submitted for approval.

Respectfully submitted,

WEBSTER W. WHITE,
Chairman

TRUSTEES' REPORT

Fifty years ago at the Annual Meeting in March, 1893, the Town voted to establish a Public Library.

Subsequent to this action and during the same year, by a provision of the will of A. J. Greely, M.D., a native of Hudson, and through a further gift by his heirs, 1889 volumes were given to the Town.

The State donated 100 new books and various individuals 35, so that when the library was opened to the public, June 20, 1894, the total number of volumes was 2024.

The books were first housed in a room in the home of the late George A. Merrill, and then for a number of years in the hall on the third floor of Baker block.

During these first years the Library was called the Greeley Public Library.

In 1909, Dr. Alfred K. Hills built the present beautiful home of the library and gave it to the Town in the memory of his late wife, Ida Virginia Creutzborg Hills. At the dedicatory exercises, the principal address was given by Arthur Stedman Hills, Esq., a nephew of the donor.

The name of the Library was changed at this time to the Hills Memorial Library, credit being given to Dr. Greeley for the initial gift of books by means of an inscription appropriately placed in the main room of the building.

The lot of land on which the structure stands was given to the Town for that purpose by Hon. Kimball Webster, one of the original trustees of the Library and for many years, President of the Board, in which capacity he gave the address of acceptance in response to the presentation address of Dr. A. K. Hills.

Last year, in our report, mention was made of the gift of a large number of valuable books by William T. Bailey, M.D.

Mr. Bailey has very recently died and by his will has left to the Library the portraits in oil of his great grandfather and great grandmother, Joseph and Sarah (Greeley) Greeley.

Joseph Greeley, a boy of 18, was one of the 65 men who marched from Hudson on the day of the Lexington alarm, April 19, 1775. He was also at the battle of Bunker Hill, where he was wounded.

Sarah Greeley was a daughter of Ezekiel Greeley and granddaughter of Col. Zaccheus Lovewell, Hudson's most famous leader in the French and Indian wars.

Both Joseph Greeley and his wife were born in and were life long residents of this town.

FRANK A. CONNELL,
ELIZA B. LESLIE,
HENRY O. SMITH,

Trustees.

LIBRARIAN'S REPORT

Number of bound volumes, February 1, 1943	7003

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Hudson qualified to vote in district affairs:

You are hereby notified to meet at the Hudson Junior High School in said district on the 9th day of March 1943, at 3:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To transact any other business that may legally come before the meeting.

10. To see if the School District will vote to raise and appropriate the sum of $200. to continue the work of landscaping the Junior High grounds.

Given under our hands at said Hudson, this 19th day of February, 1943.

NORMAN E. PRIMROSE,
HERBERT W. CANFIELD,
MILDRED M. FULLER,
School Board.

A true copy of Warrant—Attest:

NORMAN E. PRIMROSE,
HERBERT W. CANFIELD,
MILDRED M. FULLER,
School Board.

Report of the School Board

Hudson, New Hampshire
February 23, 1943

With the uncertainty of obtaining materials for necessary repairs to our school buildings, under prevailing conditions, we have concentrated our efforts during the past year to putting our buildings in as good a state of repair as possible. Careful inspection was made of roofs, plumbing and heating facilities. At the Centre School, repairs were made to both heating and plumbing as well as other minor items. The roof of the Junior High School was inspected and shingles replaced wherever necessary. A cold air intake chute was installed to the boiler room and a gate-valve cut into the steam line so that the auditorium can be heated separately from the main building, which should give better results with some saving in fuel. However, there is no need for added radiation in the Auditorium. At the Webster School, repairs were made to the gravel roofs and gutters repaired and painted.

All buildings were inspected for fire hazards, as well as the condition of fire fighting equipment. Temporary wiring at the Junior High has been replaced with permanent installation. Accumulations have been removed from attics and basements. Exit from the Webster School basement has been remodeled to allow speedy escape in case of fire.

Some work has been accomplished on landscaping the grounds of the Junior High School. Steps and walk have been completed, parking area surfaced and shrubs planted. There is considerably more to do.

We believe our chools to be in good physical condition, and we are indeed fortunate in having them so capably supervised and staffed by interested and efficient teachers.

Respectfully submitted,

NORMAN E. PRIMROSE,
HERBERT W. CANFIELD,
MILDRED M. FULLER

FINANCIAL REPORT OF THE HUDSON SCHOOL DISTRICT

For the Fiscal Year Ending June 30, 1942

Receipts

From the State:		
Equalization fund for elementary schools		$5,328.60
From Taxation:		
Support of elementary schools	$18,782.15	
Support of High School	3,700.00	
High School Tuition	12,000.00	
Salaries of District Officers	300.00	
Payment of Principal of Debt	3,000.00	
Payment of Interest on Debt	981.25	
Payment of Per Capita Tax	1,330.00	
Other obligations imposed by law or established by district	1,677.00	
Special Appropriations	300.00	
Total		$42,070.40
From Sources other than Taxation:

CERTIFICATES

I certify that the above is a correct statement of the obligations authorized, and the amounts to be assessed to meet statutory requirements and appropriations made at the annual meeting of the Hudson School District held March 10, 1942.

JESSIE S. GILBERT,
Clerk of the School District.

TO THE STATE BOARD OF EDUCATION:

I certify that the above is a correct statement of the financial proceedings of the district for 1942, and that copies of this statement have been filed with the chairman of the board of selectmen and entered in the records of the school board.

March 12, 1942

NORMAN E. PRIMROSE,
Chairman of the School Board

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Hudson, New Hampshire
February 12, 1943

To the School Board and Citizens of the Town of Hudson:

I herewith submit my second annual report as Superintendent of Schools:

We have been fortunate so far this school year in keeping our teaching staff without change. The turn over at the end of last year was large, in fact too large, but under present circumstances we were very fortunate in securing so many experienced teachers. They are well up to the average for the past few years.

The only change in the program of the schools is a greater emphasis on Physical Education, Mathematics and Shop Work. The teachers, at the request of the United States Government, together with a large number of volunteer helpers, have rationed sugar, gas, fuel oil and canned fruits and vegetables. We have endeavored to carry on this work without too much interference with the regular school work. The school program for the year is about up to the usual standard. We expect more of this rationing work before the end of the present school year. On the whole, the contact of the teachers with the citizens of the town through the rationing program, has been very helpful.

We are giving standard achievement tests to all pupils except the first grade. Having these tests at about the mid year gives a good opportunity to measure the work of the pupils and if deficiencies in any subject are discovered, the teachers have time to make them up before the end of the year, and thus raise the general standard of achievement.

The repair program has been carried out during the year for all three school buildings. The Hudson Center building was thoroughly cleaned and renovated during the summer. The seats and desks in both rooms were put in good order. The heating system was thoroughly overhauled. The toilet

rooms were renovated and electric lights installed. The railing for the front steps is greatly appreciated. This also adds to the safety features. We hope to further improve the building by weather-stripping and insulation.

In the Junior High a ventilating chute through the coal bin was installed. The roof was repaired and the grounds improved. More work will be done on the lawn as soon as weather permits. The Manual Training room was re-organized and re-arranged so that the work is much more efficient. We certainly owe Mr. O'Neil, our Manual Training Teacher, a vote of thanks for the generous contribution of time and labor which he gave during the summer to this work.

The roof at the Webster School was repaired and greatly improved. The outside doors in the school lunchroom were re-arranged and made safe for the large group of children who eat there every noon.

Owing to war conditions, our transportation system has been thoroughly re-organized. Routes had to be changed and shortened to meet the demands made upon us by the O. P. A. and the O.D.T. Further steps will have to be taken in the near future to decrease the number of stops for children on all routes. Under the new standards and regulations set up by the O.D.T., one or two routes will have to be eliminated, and others shortened. Many more of our children will have to walk up to a mile and a half to meet the bus. We appreciate the willing cooperation of parents and children in meeting this requirement. They may be reassured that within the O.D.T. regulations, we will do everything possible for their convenience and welfare.

Last June, the Hudson Nursery School, which has been partly supported by the school district funds, began to change its character to meet the new war situation. In many families both parents were working and able to partly pay for the care of their children. Through the cooperation of the W.P.A., school hours were lengthened and a schedule of charges put into effect for the care of these young children of working mothers. On December 31st the W.P.A. support of this project was with-

drawn. Application was then made for Federal funds supplied under the Lanham Act. This application is now in the process of being approved. When these funds are available, the Nursery School will be enlarged and a more adequate staff can be employed to meet the needs of child care in the community. Under the new organization, nursery school funds will not be necessary for the coming year from the school district. The Hudson Nursery School has been and is one of the outstanding agencies for child care in the State of New Hampshire. The citizens of Hudson have every right to be proud of their school.

For two years, the Hudson schools' noon lunch program has been operated under the auspices of W.P.A. This help, together with Surplus Commodities, made it possible to serve a very adequate noon lunch each day for twenty cents per week. The children whose parents found it difficult to pay even this small amount were given free lunches. This year, owing to the increased cost of all food, the price was increased to twenty-five and later thirty-cents per week. On December 31st, the W.P.A. program was cancelled. After these funds were withdrawn, we felt that the lunch program had been of such convenience and benefit to both children and parents that it should not be discontinued or curtailed. Therefore, we re-organized the whole project and with pupil volunteer assistance decided to continue and charge each pupil forty cents per week, thus making the noon lunch self-supporting. We hope that this plan will prove successful and that we can keep on with the noon lunch as in the past.

We do appreciate the volunteer help of many pupils in carrying on this very much worthwhile program. We expect the Surplus Commodities to be withdrawn before or by the end of the present school year. That will necessitate still further re-organization. We may have to charge fifty cents per week for the service. Other towns and cities who are running a similar program charge fifty and seventy-five cents per week. The continuance then, of the noon lunch program for the remainder of this year and in the future, will depend upon the financial support given by the pupils. We do not think that

it would be wise for the School District to further subsidize the noon lunch. Up to a certain point the larger number taking the lunch every day will govern the quality and continuance of the noon lunch.

Before the W.P.A. went out of business, the school board voted to provide facilities for a noon lunch at Hudson Center. This program had been approved by the W.P.A. and one worker had been engaged to take charge of the noon lunch. Without these funds we have been unable to undertake the program. The need of hot lunch at Hudson Center is as great as at the Junior High and Webster Schools. With the small number, the overhead would be so great, that a self-supporting lunch program would be impossible. What can be done is still our unsolved problem.

I would like to express my appreciation for the fine co-operation of the School Board, teachers, pupils and all others concerned who have helped to make a most successful school year.

Respectfully submitted,

GAIUS H. BARRETT
Superintendent of Schools

Grade 9—Victor Lemay, Gerald Winslow, Norma Buchanan

Hudson Center

Grade 4—Constance Saunders

Grade 5—Raymond Parker

Grade 6—Llewellyn Whitney

REPORT OF THE SCHOOL NURSE

Hudson, New Hampshire
February 16, 1943

To the Superintendent, School Board and Citizens of Hudson:

I herewith submit my report as School Nurse from February 1942 to February 1943.

Number of pupils examined	511	
Number having defective teeth	189	145 corrected
Number having defective tonsils	38	32 corrected
Number having defective vision	21	17 corrected
Number having defective speech	5	
Number having cardiac defects	5	All restricted from strenuous activities
Number having hearing defects	5	
Number having orthopedic defects	3	1 Under treament

Our regular weekly dental clinic is carried on as usual. All children who attend are required to have all of their work completed.

Last fall, all pupils in the first grade were given a thorough physical examination by Dr. Quigley, our local physician. To determine their fitness to participate in athletic work, the Junior High pupils were also given a physical examination.

The audiometer test has been given to all pupils from the second grade through the Junior High School. Lip-reading instructions are given to all children who were found to have impaired hearing.

The Penny Milk program in school has given many more pupils the opportunity to buy milk. This with the hot lunch at noon in the Junior High and Webster Schools is a great asset to their health.

It has been most gratifying to find the parents so much more health conscious and cooperative in having defects corrected.

The splendid cooperation of teachers, parents and health agencies of Nashua is greatfully appreciated.

Respectfully submitted,

HELEN J. HOUSE, R.N.

School Nurse.

Vital Statistics

VITAL STATISTICS

BIRTHS REGISTERED IN THE TOWN OF HUDSON, N. H., FOR THE YEAR ENDING DECEMBER 31, 1942

Date of Birth	Name of the Child	Sex	Living or Stillborn	No. of Child	Name of Father	Maiden Name of Mother	Occupation of Father	Birthplace of Father	Birthplace of Mother
